

Community Consolidated School District 46

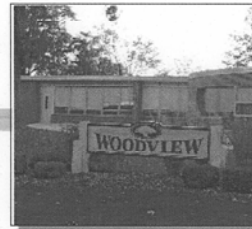

Facilities Discussion

Closing the Gap

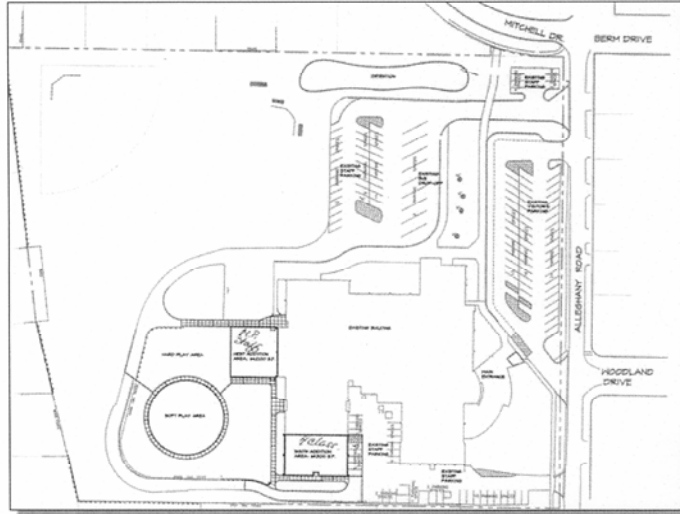

Recap...

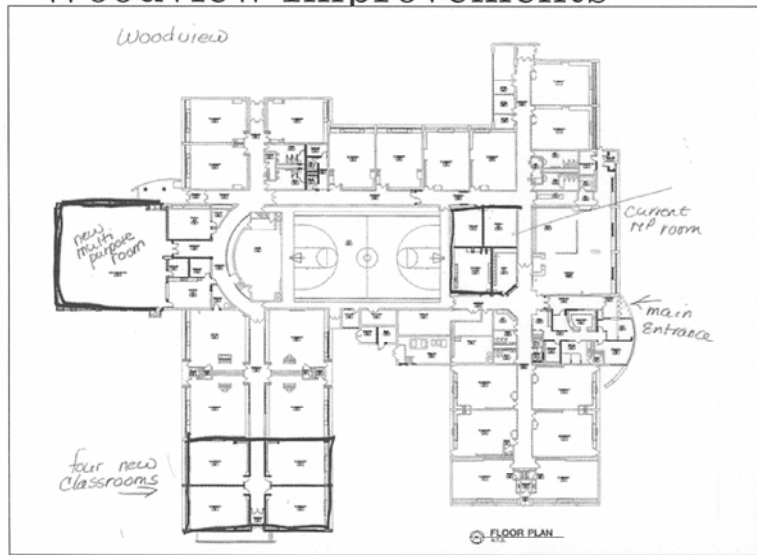

- { We have approximately \$6.6 million available in Capital Development monies to make changes at Woodview and Avon.
- { At Woodview, we will be adding four classrooms and a multipurpose room.

Woodview Improvements

Woodview Improvements

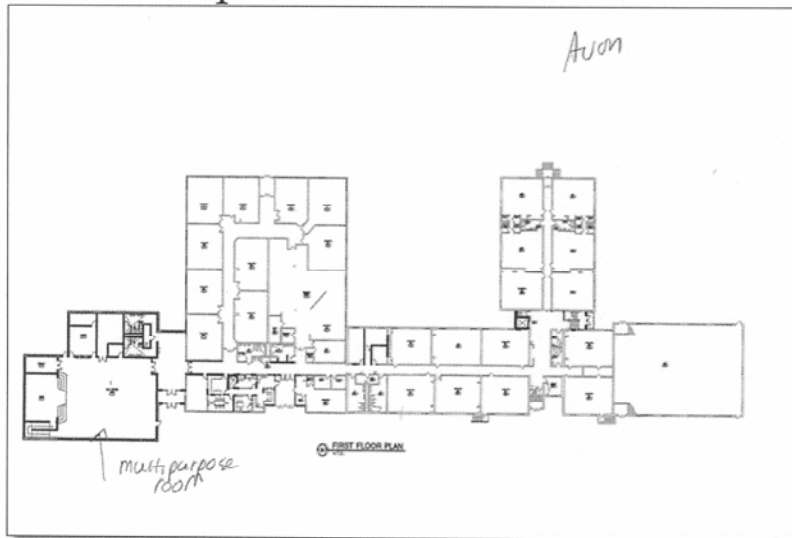

Recap...

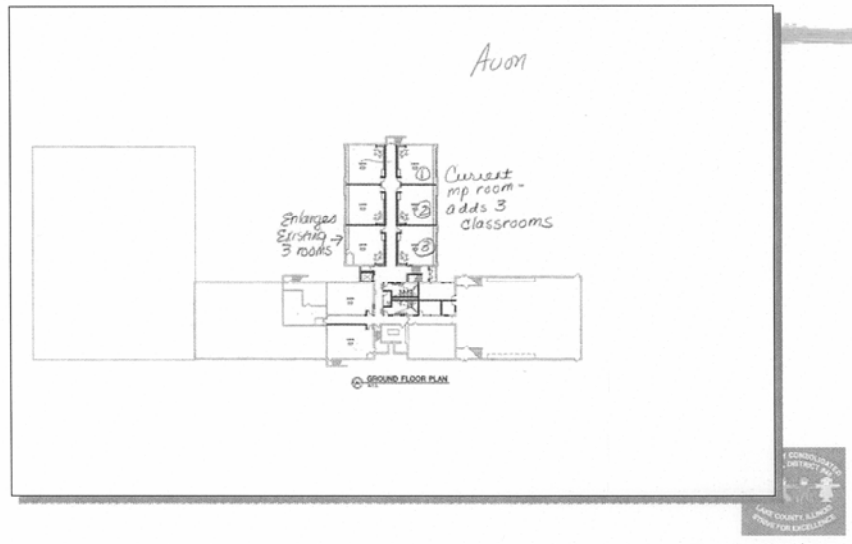

- { At Avon, we will be adding a multi-purpose room on the main level, creating three additional classrooms on the ground level and increasing the size of the three existing classrooms to an appropriate size.
- { A net increase of 6 full size classrooms.

Discussion:

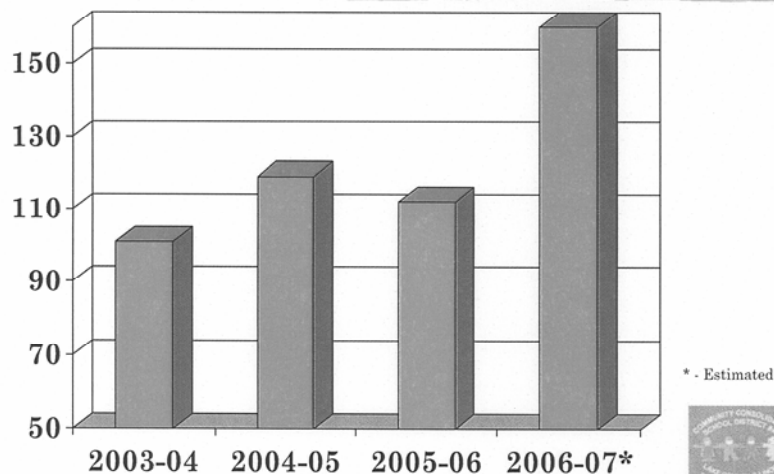

The facts...Early Childhood

The Early Childhood Program has been housed at the following sites:

- { Meadowview – 1996 and 1997
- { United Protestant Church – 1998 and 1999
- { Woodview – 2000 thru 2002
- { Prairieview – 2002 thru 2006
- { Meadowview and Prairieview - Present

The facts... Pre-K

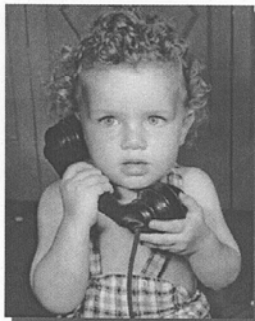

Reasons...

- { Central location
- { Growing program
- { Future ESL needs in pre-school
- { Cost reduction in having program in one location – consolidation of staff including central registration
- { This Pre-K program has moved many times
- { Legally have to provide
- { Will allow us to use the space in the existing buildings for school-age children
- { Will allow us to provide space for Pre-K that is created for their unique needs
- { Will allow us to provide adequate space for support systems for the Pre-K
- { Permanent space!!!!

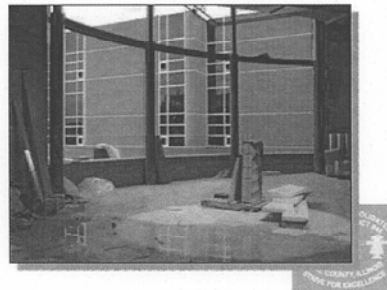

Discussion:

Madrona...

- ✓ Possibility of adding the other 400 capacity to Madrona.
- ✓ Cost approximately \$4 million
